Memberships:

The NAWIC Columbus Chapter was started back in 1964 after Dorothy Combs was reading about the national organization. Today, we are an organization of women employed in many facets of the construction industry. We have participated in, and attend, numerous functions on the national, regional, and local levels. We have sponsored various industry seminars, workshops and events that have helped women all over Columbus. As a chapter and organization, we strive to empower women with the tools they need to succeed and are constantly looking for ways to improve.

Our chapter meetings are held the 3rd Wednesday of every month. A copy of our general meeting calendars can be found on the homepage of our website. These meetings are to provide women with resources, knowledge and new tools to grow themselves, while surrounding them with other likeminded females who become a great network. Below is some information on the different levels of membership types that we offer. Fees are due on an annual basis and can be paid online. For a direct link, please see our website's membership page. If you have any questions regarding membership fees, types or anything else regarding memberships, please contact Colleen Cross.
