WIC Week Sponsorship

Dear Friend of NAWIC,

We are reaching out on behalf of the Columbus Chapter #86 of the National Association of Women in Construction (NAWIC) to ask if you would have interest in sponsoring this year's 2023 WIC (Women in Construction) Week Events. This is a yearly event that is held at the local and national levels throughout all of the chapters with a goal of bringing support, networking and resource opportunities to women in the construction industry.

This year's WIC week events will be held March 5th - 11th with our main event on March 9th to include a group of panelists, activities and networking opportunities.

Your sponsorship support allows us to continue hosting events like these as well as growing and supporting women in the industry. Please see the sponsorship form attached as well as details on the events lineup. You may also use the below QR code.

Thank you for your support!

Respectfully,

NAWIC Columbus Chapter #86
